### **Space & Naval Warfare Systems Command Awards Contract**

SAN DIEGO -- L-3 Communications (formerly Lockheed Martin Wideband Systems) of Salt Lake City, Utah is being awarded a \$25,513,471 modification to previously awarded contract N00039-91-C-00027 to exercise the FY98 Production Option (Stage III) to provide four Common High Bandwidth Data Link (CHBDL) systems and related services. The CHBDL system provides a shipboard terminal data link and sensor control data to remote airborne platforms. This contract includes one remaining option, which if exercised, would bring the cumulative value of this contract to \$124,210,865. The work will be performed in Salt Lake City (100 percent). This contract was competitively awarded in September 1991. Contract funds will not expire at the end of the fiscal year. Work under this contract is expected to be completed by September 30, 2001. The Space and Naval Warfare Systems Command San Diego, is the contracting activity.
